

ComedySportz Improv Classes!

Learn improvisational comedy from the folks who know a thing or two about it. Sign up for improv classes at ComedySportz!!

Our ten-week workshops teach skills, boost confidence, and will ultimately gain you more friends. Each week we'll play different improv games; and learn exercises in team-building, trust, spontaneity, scene-building, accepting and conquering fears - and have a lot of fun in the process. The final week is a show that you put on for your family and friends. Show off what you have learned!
